

Luxury Award-Winning Farmhouse ICE CREAM Handmade in West Somerset

Styles Farm

Styles Farmhouse Ice Cream was established by David and Sue Baker in 1988 and all of the ice creams and sorbets are still lovingly produced at Styles Farm in the picturesque Brendon Hills.

Passionate about their ice cream, David and Sue use whole fresh cow's milk, which they collect from the herd of Jersey Cows that graze at Westcott Farm, Tiverton, Devon.

To this they add fresh West Country

double and clotted cream and the very best natural flavours.
